

Barack Obama's #1 Political Prisoner . . . He's Fighting Back, But Needs Your Help!

Dear Friend of Free Speech:

While most of us were enjoying Thanksgiving, political dissident William "Bill" White—before his reimprisonment a no-holds-barred writer for AMERICAN FREE PRESS—was *sitting in solitary confinement in a federal penitentiary in Pennsylvania*. (Bill is pictured at right.)

His so-called crime? Speaking out against Barack Obama when Obama was a junior senator running for president. Although the government (and the controlled media) claim the legal persecution of Bill began with his eviction of non-paying tenants from low-rent apartment units in Virginia, *the case was really about Bill's outspoken condemnation of Barack Obama . . .*

The intricacies of Bill's case are too complicated to go into here, but suffice it to say *the government wants Bill muzzled . . .*

Freedom of Information Act documents have revealed that *the government paid 17 federal informants over \$1 million to "get" Bill . . .*

This included multiple entrapment schemes designed to ensnare Bill in a "domestic terror plot." Their attempts failed, but the government's resources are limitless and they continued the pressure in other ways.

Although—on several different occasions—judges ruled Bill should be released, *behind-the-scenes pressure resulted in reversals of Bill's short-lived exonerations . . .*

But Bill isn't crying about it and asking for handouts. Instead, drawing upon his vast knowledge of ancient culture, *Bill set to work in his jail cell writing—by hand—an amazing new book to offer you in return for a contribution for an upcoming legal maneuver he believes will end the persecution once and for all . . .*

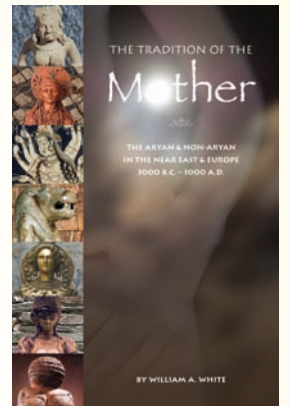

That's why the BILL WHITE DEFENSE FUND has been formed. AMERICAN FREE PRESS, as its contribution to Bill's defense, has provided this expensive ad space free.

In addition, POISONED PEN PUBLISHING (PPP) has stepped forward to professionally publish Bill's new book and is making it available to you in return for your contribution to Bill's defense fund . . .

We take what we need to cover the printing and mailing and send Bill the lion's share to put toward his last-ditch but promising legal parlay.

In this amazing compilation of in-depth essays, author William White examines the role and effects of the Aryan and non-Aryan upon the cultures of the Near East and Europe. White calls upon his vast knowledge of ancient cultures to rewrite the history of this tumultuous era and present us with a finely woven tapestry, uncolored by political correctness. Beginning with an explanation of how our myths and history have been so intertwined as to leave us asking where the line can be drawn, he moves on to examinations of the religious and cultural interplay between various disparate peoples. Analyses cover: the spiritual differences between Odin, god of the ancient Europeans, and Yahweh, god of the Semites; the diffusion of the Aryan in antiquity; the cultures of the Near East and Egypt; Bible dating and the racial schema of Genesis; a history of the term "Hebrew"; the errors of Josephus; the tradition of the Mother Goddess cults; the Trojan period; the mysterious Etruscan people and the influence of the Semite; the Hittites; the Egyptian culture and its battles with the Semites; the Hurrians; Yahweh unmasked; the Indo-European Holy Cow; the real King Minos; Demeter and Hera; Sumerian culture; the Great Mother's consorts; the Great Mother in India and Egypt; the role of Baal; Akhenaten's reformations and how he lost Palestine; Geitr, the goat god, and what he really was; the god of the witches; Yahweh and Satan; Britain and Arthur; the Norman invasion; Thor's conquest of the Midgard Serpent; the storm god; the parting of the waters; his experiences battling the Police State; much more!
